1 15OCE-M77-302  
03 AUG 1977MEMORANDUM FOR: Chief, Real Estate and Construction  
Division, OL*Priority  
Action*

25X1A INFO : Chief, [REDACTED]

25X1A FROM : [REDACTED]  
Acting Chief, Communications Engineering

25X1A SUBJECT : [REDACTED] Air Conditioning (C)

REFERENCE : OL 7 3201, dated 20 July 1977

1. (U/AIUO) It is requested that an A & E feasibility study be initiated to determine the best course of action as outlined in the referenced memorandum. The determination of present heat loads, as well as possible expansion capabilities, should be included in the scope of work for this study. Also, as it is desired to complete the A & E design phase in this fiscal year, please expedite the feasibility study for completion on or about 1 September 1977. FY-78 funds are available for construction.

25X1A 2. (C) It is suggested that your staff contact the [REDACTED] engineering personnel directly on technical matters.

25X1A

25X1A

*Rec. memo on  
9/9/77*

*Phil:* Is a formal A&E ~~FEASIBILITY~~ FEASIBILITY study necessary?

25X1A

If it is, it would involve two A&E contract efforts prior to end of fiscal year and it would appear minimal time is available even to negotiate the A&E design contract. Let's discuss.
